Hi Jim.. [REDACTED] & company was continued until August 9<sup>th</sup>. The defense attorney came up with a last minute alibi defense, so the judge allowed some time. I'll send you an email in late July to confirm. Thank you so much.

Good Afternoon,

I'm an Assistant District Attorney in Hampden County Superior Court and I'm prosecuting Mr. [REDACTED] and his partner in crime, [REDACTED]. You performed the testing of the crack cocaine on this case. The case has been sent to a trial session, but we are not expected to start up until next week. I wanted to contact you to see if that will pose a problem for you in the event that I needed to call you as a witness on Tuesday or Wednesday (of next week). If you need a subpoena or a faxed summons, please let me know. This 'pool system' that we follow for trials can be a tremendous pain...we never know when exactly we are starting a trial, but at least I have a time frame. If there is any additional information you need, please contact me either by email or by phone (413-731-4875).

Thank you.

Eileen Sears
